Forecast for Wednesday 08 Sep 2021

Weather: Clear skies through the early hours may allow a few mist and fog patches to develop in the valleys. A mild start and any mist and fog in the valleys will clear readily through morning to leave another very warm day with largely unbroken sunshine. Little change expected through evening.

Chance of cloud free mountain/hill tops above 600m: 100%.

Visibility: Rather hazy with distant features lacking clarity. Visibility may be limited to a few hundred metres in any mist or fog in the valleys through morning.
